Medically, Mr. Knox is diagnosed with mild asthma and hypertension. He is prescribed Lisinopril 10mg and carries an Albuterol inhaler at all times. These conditions are declared and documented under his health insurance profile, HIC98374563. His emergency contact, Mary Knox, is reachable at +1 (310) 555-8745. Blood type O+ is noted in all hospital records. Recent procedures include an ECG conducted in January 2025 and a routine blood test in February 2024. These were logged in the CareConnect+ app for ease of access during emergencies. He also maintains a digital health log synchronized with his primary care provider.
